Go365: It s a win win!
Added expenses can make the holiday season a rather stressful time of year for many. That's why the Go365 by Humana® program, included on many Humana plans, is especially meaningful right now. With Go365, members can earn rewards for completing eligible healthy activities such as preventive screenings, workouts and volunteering. Remind Medicare members to redeem their rewards before December 31st or they will expire! Go365 is not an insurance product and is not available with all Humana health plans. This is a general description of services which are subject to change. Please refer to Customer Support for more information.
