

“Your Reports” in Virtual Office on the LifeSecure Agent Portal

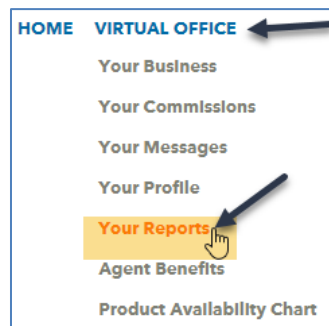

Watch a tutorial video – Your Reports

Learn how to easily view consolidated data by running the following reports in your agent portal: **Book of Business, Commission Statements, Policy Conservation Results, and Applications in Process**

Step 1: Access the LifeSecure website: YourLifeSecure.com

- a) Go to the Secure Login in the upper right hand corner
- b) Choose Agent/Agencies from the log in menu
- c) Login using you User Name and Password
 - *If you’ve forgotten or need to your Password, enter your ‘User Name’, then click “Did you forget your Password”.*
 - *(Information needed: Agent/Agency 6 digit number, the last 4 digits of your SSN/TIN, and the 5 digit zip code provided in your appointment paperwork.)*

Step 2: Hover over the **VIRTUAL OFFICE** tab and click on **Your Reports** .

Step 3: Accept the one-time Acknowledgement.

- Before being able to proceed to “Your Reports”, you must Accept a one-time Acknowledgement then Submit.

Acknowledgement Statement

ACKNOWLEDGEMENT: Please note that the data that can be exported from this page includes PII/PHI. This acknowledgment is to confirm that you have read and understand the Agent Agreement which you previously attested to when becoming appointed with LifeSecure. If you would like to review this then please click the link below:

For reference: [Agent Agreement](#)

☒ Accept ☐ Decline

Clicking 'Accept' represents your acknowledgement and acceptance of this statement.

Submit

Step 4: Select a report from the dropdown menu, then click “Open”.

Virtual Office>Your Reports

The “Your Reports” page is an easy way for you to review consolidated data. Simply select a report from the dropdown menu and review the results.

Helpful Tips:

1. To see a list of available reports, click on the drop-down menu below, select a report and click “Open”. A description of the report will appear on the screen.
2. You may export reports for record keeping and spreadsheeting purposes by clicking the  in the report view below.
3. [Click here](#) to download the data dictionary for the reports.

Detailed Book of Business

Applications in Progress

Policy Conservation Results

Commission Statement Details

Open

Note: When a report is selected, a description of that report will appear on the screen.

Detailed Book of Business

Open

Report Overview:

This report provides a detailed view of all submitted and issued business. Information includes policyholders' demographic information and policy premiums (e.g. Paid-Through Date).

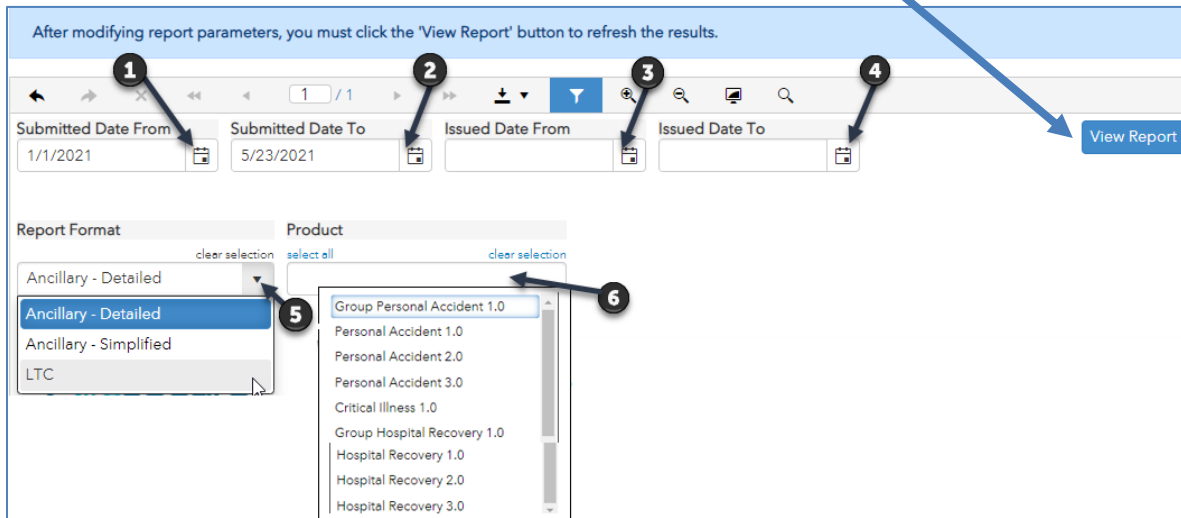

2 of 5

Step 5: Report Filters are available (depending on the specific report).

There are different filter types that can be included on reports:

- a. Date filter
- b. Dropdown (one selection)
- c. Dropdown (multi-selection)
- d. Free form text fields

There are six optional filters (or you can utilize the default settings). Once you have adjusted the filters as desired, click “View Report”.

1. **Submitted Date From** –the date you would like the search to start with for SUBMITTED business
2. **Submitted Date To** – the date you would like the search to end with for SUBMITTED business
3. **Issued Date From** – the date you would like the search to start with for ISSUED business.
4. **Issued Date To** – the date you would like the search to end with for ISSUED business.
5. **Report Format**
 - Ancillary – Details: This will show more details on Ancillary business only
 - Ancillary – Summary: This will show fewer details on Ancillary business only
 - LTC – This will show details on LTC business only
6. **Product** – select one or more products, including:

○ Ancillary ▪ Group Accident ▪ Personal Accident 1.0 ▪ Personal Accident 2.0 ▪ Personal Accident 3.0 ▪ Critical Illness 1.0 ▪ Group Hospital Recovery ▪ Hospital Recovery 1.0 ▪ Hospital Recovery 2.0 ▪ Hospital Recovery 3.0	○ Long Term Care ▪ Long Term Care 1.0 ▪ Long Term Care 2.0 ▪ Long Term Care 3.0
--	--

Step 6: Viewing and Downloading / Exporting the Report

Detailed Book of Business

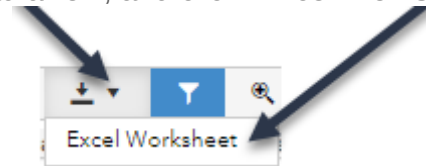

This report provides a detailed view of all submitted and issued business. Information includes policyholders' demographic information and policy premiums (e.g. Paid-Through Date).

Executed : 05/24/2021 02:54 PM Agent / Agency: (001486) Carl TSTslert1
 Data Through: 05/21/2021 Submitted Date From: 01/01/2020 Submitted Date To: 05/23/2021 Issued Date From: Issued Date To:

Policy Number	Application Received Date	Issue Date	Effective Date	Current Policy Status	Prior Policy Status	Payment Frequency

NOTE: To view all columns available in the report, scroll to the **left** and **right** using the **arrows** at the bottom of the page

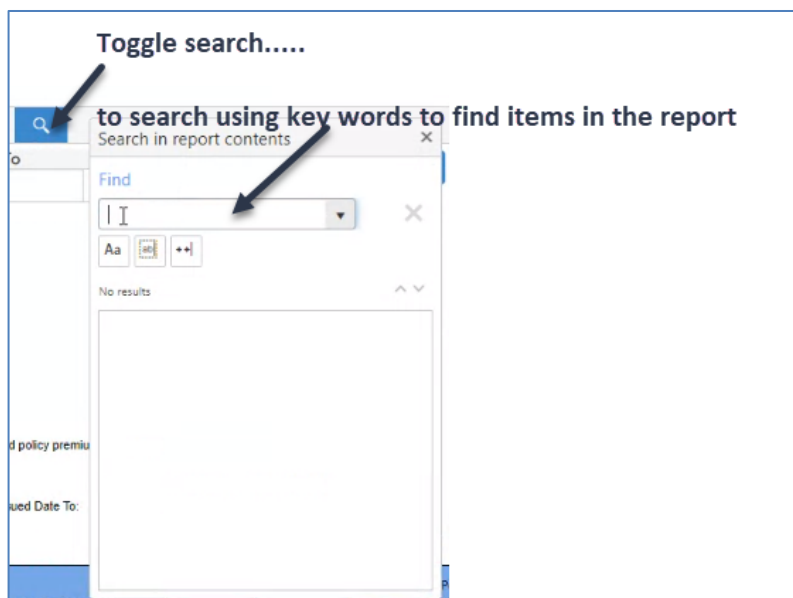

- To download / Export reports, click download arrow, and click "Excel Worksheet"

- To search using key words to find items on the report, click on the toggle search, then type key word(s).

Toggle search.....

to search using key words to find items in the report

The image shows a search toggle button (magnifying glass icon) and a search window titled "Search in report contents". The search window has a "Find" input field, a search button, and a results area. The text "No results" is displayed in the results area.

The Data Dictionary documentation has every column header outlined with a description of output of datapoints. The format is PDF and the column headers are easily searchable based on being in alphabetical order and text can also be searched in PDF programs.
